

Sincere and Rare

In the circle of Alpha Kappa Alpha®, we share
A multigenerational fellowship, truly Sincere and Rare.
In sisterhood we stand as we strive and we do,
In service to all mankind, our hearts forever true.

Pink is for our love, and green is for abundance pure—
Womanliness and fidelity, qualities that endure.
Pink tea roses to remind us of our serene nature.
Bound by highest standards, our poise will never waver.

So let our lives like the ivy be,
Climbing high with resilience, grace, and tenacity.
Our character refined through every victory and trial,
We dig deep, stand tall, and make every endeavor worthwhile.

Twenty pearls of wisdom, a powerful legacy divine.
The first, by culture and merit, our sisterhood shines
With each stitch of friendship, our future we sow,
Guiding generations as our virtues continue to grow.

New, Silver, Gold, Pearl, and Diamond Sorors too—
Forever in our hearts, our promise will be true.
With our sisterhood united, our bond we declare:
Alpha Kappa Alpha® women, yes, Sincere and Rare.
